Group OGS

Obsolete General Supplies

**Obsolete Major Items
of Group A**

*Supersedes ORD 12 SNL OGS 1, 1 April 1945, and Changes No. 2,
17 June 1945.*

This pamphlet covers major items formerly listed under Group A, which have been officially declared obsolete.

Obsolete items in, or retained for museums, historical or engineering collections, or for decorative purposes at posts, camps or stations and carried on the local historical record, should not be reviewed or reported. When these items are no longer required for the purposes mentioned, they should be reviewed and reported hereunder.

For full information relative to the Ordnance Supply Catalog, the procedure followed and the principles employed in its compilation, together with the purposes and uses thereof, see the ORD 1 Introduction, ORD 2 Index and the (OPSR) Ordnance Provision System Regulations.
